How to Play Cyber Bingo:

1. **Use this Cyber Bingo Card**: Each square will feature a different activity designed to teach you about cybersecurity awareness. Complete the activities on each of the squares to mark them complete. Go ahead and mark off that center spot, you are playing Cyber Bingo!

2. **Winning Regular Cyber Bingo**:

   o Mark five squares in a row horizontally, vertically, or diagonally. This will be considered a regular bingo.

   o Every regular bingo increases your chance of winning Cybersecurity SWAG.

3. **Blackout Cyber Bingo**:

   o In a blackout game, you must cover every square on your card, including the free space in the middle.

   o Achieving a blackout will earn you a Cybersecurity Hat.

4. **Claiming a Cyber Bingo:** Email your winning card to infosec@choctawnation.com with the subject line "Cyber Bingo!" by October 31, 2024, to enter for chances of winning Cybersecurity SWAG.

5. **Verification**: The squares on your card will be checked to ensure you have a valid bingo or blackout before the prize is awarded.

Enjoy the game and good luck with winning the Cybersecurity gear!
